◆ **Read:** Ezekiel 1:1-3:15 and Romans 8:28-38 and summarize each passage here.

◆ **Think:** Recount the last few times you suffered disappointment.

What did you do about it?

What guidance on disappointment does God give in what you read from Romans and Ezekiel?

◆ **Act:** As you get anxious about something being a problem, talk to God openly about it but end with: *"Thank you loving Father for being here with me in this."* Then choose to apply one of the new ideas you got from Romans and Ezekiel.
